CEC is also applying for a Chapter 105 General Permit for Utility Line Crossings (GP-5) and Temporary Road Crossings (GP-8) for stream and wetland impacts associated with this project. The proposed pipeline will connect the existing PER B50 Well Pad and the PER B15 Well Pad (off Hoenig Road) via 2.7 miles natural gas pipeline. The Overall Site Plan is available at the Borough Office. Comments should be sent within 30 days (of October 27<sup>th</sup>, 2021) to PADEP Permitting and Technical Services Section at:

Department of Environmental Protection, Office of Oil and Gas Management, Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222. If no comments are received, PADEP will assume that no substantive conflicts exist.

**Act 14 Notice – Temporary Above – Ground Waterline – B15 to B46**, on behalf of PennEnergy Resources, Civil & Environmental Consultants (CEC) is applying to the Pennsylvania Department of Environmental Protection (PADEP) for Chapter 105 General Permits for Utility Line Crossings (GP-5) and Temporary Toad Crossings (GP-8) for temporary stream and floodway impacts associated with the project. The project consists of installing 1.3 miles of temporary high-density polyethylene (HDPE) waterline. It will transport fresh water from the B15 Well Development Impoundment to the B46 Well Pad, the water will be sourced from PennEnergy’s Water Management Plan; no new surface water intakes are associated with this project. The Overall Site Plan is available at the Borough Office. Comments should be sent within 30 days (of October 27<sup>th</sup>, 2021) to PADEP Permitting and Technical Services Section at: Department of Environmental Protection, Office of Oil and Gas Management, Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222. If no comments are received, PADEP will assume that no substantive conflicts exist.

**Resolution - Beaver County 2021 Hazard Mitigation Plan.** This plan is updated and adopted every five years in accordance with Section 322 of the Disaster Mitigation Act of 2000 (DMA 2000) which requires state and local governments to develop and submit for approval to the President a mitigation plan that outlines processes to identify natural hazards, risks, and vulnerabilities as a prerequisite to receiving post-disaster Hazard Mitigation Grant Program funds.

**Repository Sale – Tax Exoneration Request:** on August 10<sup>th</sup>, 2021, Council approved the Repository sale of parcels 60-185-0143.000 and 60-185-0127.003 on Conway Wallrose Road near McGuire Road. Now the buyer is requesting tax exoneration on those parcels from 2010 to date. This is the normal course of action to put the parcels back on the tax rolls.
